 - ✓ Athletic and instrumental music programs are offered for additional fees.

At Concordia Lutheran School we seek to continually evaluate our programs in order to provide the best in Christian education utilizing all available resources this includes, but is not limited to, our fiscal responsibility. We seek to maximize existing potential sources of income that can be utilized to benefit our school and improve upon the already high quality product. In light of this process, the School Board of Concordia Lutheran School has approved the following tuition policy to become effective for the 2024-2025 school year.

Prior to applying any and all possible scholarships, the per student base tuition rate for Concordia students will be \$6,900 for the 2024-2025 school year. All families are encouraged, but not required to apply for one or more of the scholarships offered by Concordia Lutheran School. These scholarships will be applied in the order identified within this policy provided the eligibility components have been met. Students MAY qualify for more than one scholarship.

The scholarships offered are as follows and will be applied in the order in which they are presented:

- 1) **Choice Scholarship (State Voucher) provided via the State of Indiana** - Eligibility is determined by guidelines as determined by the State of Indiana. Qualifying income levels will be made available once they have been provided to Concordia. **A current 1040 tax form (pg. 1) is required with this application.** Additional forms will need to be completed provided the scholarship is awarded.
- 2) **Support Grant** –This is a financial support grant. This option is utilized when other scholarship opportunities do not apply or are insufficient. Amounts will be determined through an application. The Principal and School Board will meet and determine approval based upon available tuition assistance funds. This grant is open to members and non-members.

Families MUST apply for scholarships in order to receive an award. In some cases, a family may be eligible for multiple awards or no award. Applications will be included in registration materials and will be made available upon request and on the school website.
